

MUSIC NOTES

our mission is to provide volunteers, food, and supplies to support the Gretna Band program

NSBA 2018 State Champions

Welcome to the Gretna Band

We are so excited to begin another great season of the Gretna Marching Dragons. The kids have already been working hard to learn the music, moves, and marching steps for this year’s shows: REFLECTIONS of EARTH and THE GREATEST SHOWMAN.

We are always looking for volunteers to help out with many different tasks. There is a job for everyone, so touch base with one of the officers or committee coordinators today to discover how you can help out!

Meet your Officers

President:

Nicole Driewer has two daughters in the band: Maggie is a junior and plays the clarinet. Izzie is a sophomore and plays the marimba.

Vice President:

Jaime Aure’s daughter Laynie is a sophomore and is on the front line playing auxiliary percussion.

Treasurer:

Jennifer Edmonds’s son Kale is a sophomore who plays the Bari sax (that’s the largest saxophone).

Secretary:

Aubrey Styles has a son Dillon who is a junior and is part of the amazing color guard.

Committee Highlight:

Concessions

Do you like pizza? How about popcorn? Maybe a candy bar or two? Then consider helping out with the Concessions committee!

This committee organizes people to help run the concession stand at sporting events throughout the year. The coordinator(s) are also responsible for getting the outside food that is sold at each event. This is THE biggest money maker for the band parent organization and is vital in allowing us to provide for the band. Plus, it allows us to support other activities at GHS. We are currently looking for a small team of people to head up this great committee. If you are interested, please contact Aubrey and Jeff Styles - stylesbpo@gmail.com
